

3P's: Perspective, Passion, Plans

- Nelson Mandela said there is no passion to be found playing small and settling for a life that's less than the one you're capable of living I found that nothing in life is worthwhile unless you take risks. Nothing.
- If you don't fail, then you're not even trying.
- To get something you never had, you have to do something you never did.
- Have dreams. But have goals. Life goals, yearly goals, monthly goals, and daily goals.
- To achieve your goals, you have to apply discipline and consistency everyday not just Tuesday and miss a few days. You must work at it.
- Don't confuse movement with progress. Continue to strive, continue to have goals, continue to progress.
